Sir:

Applicants request reconsideration of the rejections set forth in the Office Action dated December 8, 2005. Claims 1-4, 18-41 and 45-47 are pending in this application.

Applicants gratefully acknowledge the courtesies extended by Examiner Bonshock during the telephonic interview on March 7 with applicants' representative, Mr. Oren. The substance of the interview is incorporated in the following remarks.

The Office Action rejects claims 1-4, 18-41 and 45-47 under 35 U.S.C. §102(e) by U.S. Patent 6,052,492 to Bruckhaus. The rejection is respectfully traversed.

Independent claim 1 recites receiving a video stream from a first source and dividing the video stream into a plurality of sections, each section including a plurality of frames.
